TYPICAL GENERAL PLAN AMENDMENT PROCESS
GENERAL PLAN AMENDMENT APPLICATION
PROCEDURES

The following information is provided to assist in the preparation and submittal of an application for a General Plan map or text amendment for property within the Town of Florence.

It is important to note that since an amendment may affect the entire community, adjacent jurisdictions, schools and public utilities, the analysis of a General Plan Amendment request must be comprehensive in nature and address all potential impacts.

1. **Pre-Application Review Process** – Prior to filing an application for a General Plan Amendment, the applicant must participate in a Pre-Application review meeting with the Community Development Department and Technical Staff.

2. **Application Filing** – For an application to be accepted, the applicant must provide all of the required information described on the submittal checklist at the time of formal submittal. Ensuring the accuracy of the request is the responsibility of the applicant. Applications will not be accepted or processed without an adequate description of the "Request" being submitted. Incomplete applications will not be accepted.
   
   a. **Major Amendments** – Applications for Major Amendments to the General Plan will be considered once a year. The Florence General Plan defines what constitutes a Major Amendment. Submittals are accepted based on the schedule provided in this application.
   
   b. **Minor Amendments** – Minor General Plan Amendments include any change to the General Plan not defined as a Major Amendment. Applications may be filed at any time during the year per the schedule provided in this application.

3. **Staff Review** – Upon receiving a complete application, the submitted information will be routed to Town staff and applicable agencies for timely review and comment. After this review is completed, the comments are consolidated and returned to the applicant. The applicant is responsible for addressing staff comments and submitting revised plans.

4. **Neighborhood Meetings** – Neighborhood meetings beyond the required minimum Town hearings are required for certain General Plan Amendments, as deemed necessary by the Community Development Director. Applicants will be required to set up and conduct these meetings. Efforts shall be made to encourage public participation.
5. **Public Notice** – Except for requests limited to text amendments, the Town will prepare the public notice to mail to surrounding property owners and provide a copy to the applicant. The notice for the first public hearing must be mailed by the applicant at least fifteen (15) calendar days prior to the date of the hearing to the following:

   a. All property owners of record within three hundred (300) feet of the site.

   b. To the owner, if the application is initiated by a person other than the owner; and

   c. Any person or group who has requested notice in writing.

   The Community Development Director may expand the notification area set forth in this section if it is determined that the potential impact of the project extends beyond the required notification boundary. The applicant must submit a signed affidavit of mailing prior to public hearing. Failure of the applicant to provide evidence of mailing will result in a postponement of the public hearing item. The applicant will be charged a fee for the postponement.

   Minor or Major General Plan Amendments initiated by the Town for text changes or more extensive and sometimes, Town-wide, map changes may call for an adjustment of the individual notification process as approved by the Community Development Director.

   The Town will send public hearing notices to the local newspaper of general circulation in accordance with State and local requirements.

6. **Property Posting (Sign)** – Notice of Public Hearing for a General Plan Amendment must be posted at least fifteen (15) calendar days prior to the date of each public hearing. The applicant is responsible for posting and maintaining the sign on the property, subject to the following specifications and requirements:

   a. Posting, maintenance, and removal of signs are the responsibility of the applicant;

   b. Signs should not be removed until after the case is acted upon by the Town Council or, in the case of an application that is withdrawn, not until the withdrawal is officially accepted by the Town;

   c. The applicant must remove all signs within ten (10) days after final action on the case. If the sign is not removed on time, the Town will remove the sign and charge the applicant a removal fee;

   d. The signs must comply with the attached sign criteria, except as may be modified by the Community Development Director;
e. The applicant must submit a signed and dated affidavit of posting, and color photos of the posted signs prior to the public hearing; and

f. Failure of the applicant to provide evidence of posting could result in a postponement of the public hearing.

Minor or Major General Plan Amendments initiated by the Town for text changes or more extensive and sometimes, Town-wide, map changes may call for an adjustment of the sign posting requirements as approved by the Community Development Director.

7. Public Participation Plan for Town-Initiated Application

The Town may choose to develop a unique Public Participation Plan (PPP) for Town-initiated applications, particularly in the case of Major General Plan Amendments. Items in a PPP used by the Town could include a combination of public meetings, open houses, presentations, workshops, signs, display advertisements and other notification and participation methodologies/tools so long as minimum set State criteria is met.

8. Staff Reports – After the staff comments have been addressed and the project has been scheduled for the public hearings, the Community Development Department will prepare reports describing and evaluating the proposed project and making recommendations to the Planning and Zoning Commission and Town Council. Copies of the staff reports will be made available to the public and sent to the applicant prior to each public hearing.

9. Planning and Zoning Commission Hearing – The Planning and Zoning Commission will conduct at least one public hearing for a Minor General Plan Amendment and at least two public hearings for Major General Plan Amendments. Planning Commission hearings schedules are included in this application. Regular meetings are held at Florence Town Hall, 775 North Main Street. The applicant or a project representative should be present at the hearing. Upon hearing the case, the Commission may forward a recommendation for approval, approval with modifications, or denial of a General Plan Amendment request to the Town Council. For General Plan Amendments, a tied vote shall be considered a recommendation for denial. The Commission may continue/table a Minor General Plan Amendment case as deemed necessary.

10. Town Council Hearing – Regular Town Council hearings occur on the first and third Monday of each month at 6:00 p.m. and are held in the Council Chambers, 775 North Main Street. The applicant or project representative must be present at the hearing. The Town Council will approve, approve with modifications and/or conditions, or deny the application. Approval of any Major General Plan amendment requires an affirmative vote by at least two-thirds of the members of the Council.
11. **Withdrawals** – A General Plan Amendment application that has been acted upon by the Planning and Zoning Commission may not be unilaterally withdrawn by an applicant/property owner after such action has occurred. The Town Council shall vote on whether to accept or not accept a request to withdraw an application. If the request for withdraw is not accepted, the matter shall move forward through the Town Council's General Plan Amendment Public Hearing process.

12. **Inactive Cases** – All applications need to be actively pursued to a decision. If no activity has occurred on an application for 180 days, the application will be determined to be inactive, deemed to be withdrawn and the file will be closed. At least thirty (30) days prior to that date the staff will notify the applicant in writing. The applicant may submit a written request that the application remain active, with an explanation for the inactivity. The Community Development Director may grant an extension for up to 180 days for good cause if there is a reasonable belief that the application will be actively pursued during the extension period.
