- 7.01 A Bid must be accompanied by Bid security made payable to Owner in an amount of ten percent of Bidder's maximum Bid price (determined by adding the base bid and all alternates) and in the form of a certified check, bank money order, or a Bid Bond in statutory form (on the form included in the Bidding Documents) issued by a surety meeting the requirements of the General Conditions and applicable law.
- 7.02 The Bid security of the apparent Successful Bidder will be retained until Owner awards the contract to such Bidder, and such Bidder has executed the Contract Documents, furnished the required contract security, and met the other conditions of the Notice of Award, whereupon the Bid security will be released. If the Successful Bidder fails to execute and deliver the Contract Documents and furnish the required contract security within ten (10) days after the Notice of Award, Owner may consider Bidder to be in default, annul the Notice of Award, and the Bid security of that Bidder will be forfeited. Forfeiture will not preclude the Town from seeking any or all other remedies provided by law to recover losses sustained as a result of the Bidder's failure to enter into the Contract or to furnish the contract securities or insurance certificates and endorsements.
- 7.03 The Bid security of other Bidders that Owner believes to have a reasonable chance of receiving the award may be retained by Owner until the earlier of seven (7) days after the Effective Date of the Contract or 61 days after the Bid opening, whereupon Bid security furnished by such Bidders will be released.

In cases in which the Contract allows the Contractor to request that Engineer authorize the use of a substitute or “or-equal” item of material or equipment, application for such acceptance may not be made to and will not be considered by Engineer until after the Effective Date of the Contract.
- 8.02 All prices that Bidder sets forth in its Bid shall be based on the presumption that the Contractor will furnish the materials and equipment specified or described in the Bidding Documents, as supplemented by Addenda. Any assumptions regarding the possibility of post-Bid approvals of “or-equal” or substitution requests are made at Bidder’s sole risk.

INSTRUCTION 9: SUBCONTRACTORS, SUPPLIERS, AND OTHERS

- 9.01 A Bidder shall be prepared to retain specific Subcontractors, Suppliers, or other individuals or entities for the performance of the Work if required by the Bidding Documents to do so. - 9.02 The Bidders shall submit to the Town with its response to this ITB a complete listing of all Subcontractors the Bidder intends to use in the performance of the work specified in the ITB providing the information required in the Subcontractor List included in the ITB. - 10.12 No Bid shall be altered, amended, or withdrawn after the specified due date and time.
- 10.13 Periods of time, stated as a number of days, shall be calendar days.
- 10.14 It is the responsibility of all Bidders to examine the entire ITB package and seek clarification of any item or requirement and to check all responses for accuracy before submitting a Bid. Negligence in preparing a Bid confers no right of withdrawal after Bid due date and time.
- 10.15 The Town shall not reimburse the cost of developing or providing any response to this ITB and development and provision of any offer shall be at the respective Bidder's sole cost. Offers submitted for consideration should be prepared simply and economically, providing adequate information in a straightforward and concise manner.

INSTRUCTION 11: BASIS OF BID

- 11.01 The Basis upon which Bids shall be calculated and submitted (Lump Sum/Fixed Price, Unit Price, and/or Allowances for specific items) are set forth in the ITB, including the Bid Schedule.
- 11.02 Lump Sum/Fixed Price

- 11.03 Unit Price
 - A. Bidders shall submit a Bid on a unit price basis for each item of Work listed in the unit price section of the Bid Form.
 - B. The "Bid Price" (sometimes referred to as the extended price) for each unit price Bid item will be the product of the "Estimated Quantity" provided in the ITB (usually the Bid Schedule) for the item and the corresponding "Bid Unit Price" offered by the Bidder. The total of all unit price Bid items will be the sum of these "Bid Prices"; such total will be used by Owner for Bid comparison purposes. The final quantities and Contract Price will be determined in accordance with the General Conditions.
 - C. Discrepancies between the multiplication of units of Work and unit prices will be resolved in favor of the unit prices. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum.

11.04 Allowances

- A. For cash allowances the Bid price shall include such amounts as the Bidder deems proper for Contractor's overhead, costs, profit, and other expenses on account of cash allowances, if any, named in the Contract Documents, in accordance with the General Conditions.

INSTRUCTION 12: SUBMITTAL OF BID

- 12.01 With each copy of the Bidding Documents, a Bidder is furnished one separate unbound copy of the Bid Form, and, if required, the Bid Bond Form. Three (3) unbound copies of the Bid Form are to be completed and submitted with the Bid security and the other documents required to be submitted under the terms of Instruction 7.
- 12.02 A Bid shall be received no later than the date and time prescribed and at the place indicated in the advertisement or invitation to bid and shall be enclosed in a plainly marked package with the Project title (and, if applicable, the designated portion of the Project for which the Bid is submitted), the name and address of Bidder, and shall be accompanied by the Bid security and other required documents. If a Bid is sent by mail or other delivery system, the sealed envelope containing the Bid shall be enclosed in a separate package plainly marked on the outside with the notation "BID ENCLOSED." A mailed Bid shall be addressed to **Town of Florence, AZ, Town Clerk, 775 N. Main St., Florence, AZ 85132.**
- 12.03 Bids received after the date and time prescribed for the opening of bids, or not submitted at the correct location or in the designated manner, will not be accepted, opened, or considered.
- 12.04 By signature on the Bid Form, the Bidder certifies that:
 - A. The submission of the offer did not involve collusion or other anti-competitive practices.
 - B. The Bidder shall not discriminate against any employee or applicant for employment in violation of the Federal Executive Order 11246.
 - C. The Bidder has not given or offered to give, and does not intend to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip favor, or service to a public servant in connection with the submitted offer.
 - D. Failure to sign the offer, or the falsity of a statement in a signed offer, shall void the submitted offer or any resulting contracts, and the Bidder may be debarred.

INSTRUCTION 13: MODIFICATION AND WITHDRAWAL OF BID

- 13.01 A Bid may be withdrawn by an appropriate document duly executed in the same manner that a Bid must be executed and delivered to the place where Bids are to be submitted prior to the date and time for the opening of Bids. Upon receipt of such notice, the unopened Bid will be returned to the Bidder.
- 13.02 If a Bidder wishes to modify its Bid prior to Bid opening, Bidder must withdraw its initial Bid in the manner specified in Paragraph 13.01 and submit a new Bid prior to the date and time for the opening of Bids.
- 13.03 If within 24 hours after Bids are opened any Bidder files a duly signed written notice with Owner and promptly thereafter demonstrates to the reasonable satisfaction of Owner that there was a material and substantial mistake in the preparation of its Bid, that Bidder may withdraw its Bid, and the Bid security will be returned. Thereafter, if the Work is rebid, that Bidder may, in the Town's sole discretion, be disqualified from further bidding on the Work.

INSTRUCTION 14: OPENING OF BIDS

- 14.01 Bids will be opened at the time and place indicated in the Invitation to Bid above and, unless obviously non-responsive, read aloud publicly. An abstract of the amounts of the base Bids and major alternates, if any, will be made available to Bidders after the opening of Bids
- 14.02 All Bids will remain subject to acceptance for the period of time stated in the Bid Form and each Bidder agrees that it will hold open its offer for such period, but Owner may, in its sole discretion, release any Bid and return the Bid security prior to the end of this period. Unless otherwise specified in the ITB, all Bidders and their Subcontractors shall hold their bids valid for a period of 90 days from the proposal due date stated on the Advertisement for Bids.

INSTRUCTION 15: EVALUATION OF BIDS

- 15.01 Owner reserves the right to reject any or all Bids, including without limitation, nonconforming, nonresponsive, unbalanced, or conditional Bids. Owner will reject the Bid of any Bidder that Owner finds, after reasonable inquiry and evaluation, to not be responsible. If Bidder purports to add terms or conditions to its Bid, takes exception to any provision of the Bidding Documents, or attempts to alter the contents of the Contract Documents for purposes of the Bid, then the Owner may reject the Bid as nonresponsive.
- 15.02 If Owner awards the contract for the Work, such award shall be to the responsible Bidder submitting the lowest responsive Bid.
- 15.03 Evaluation of Bids:
 - A. In evaluating Bids, Owner will consider whether or not the Bids comply with the prescribed requirements, and such alternates, unit prices, and other data, as may be requested in the Bid Tab or prior to the Notice of Award.
 - B. In the comparison of Bids, alternates will be applied in the same order of priority as listed in the Bid Tab. To determine the Bid prices for purposes of comparison, Owner shall announce to all bidders a "Base Bid plus alternates" budget after receiving all Bids, but prior to opening them. For comparison purposes alternates will be accepted, following the order of priority established in the Bid Tab, until doing so would cause the budget to be exceeded. After determination of the Successful Bidder based on this comparative process and on the responsiveness, responsibility, and other factors set forth in these Instructions, the award may be made to said Successful Bidder on its base Bid and any combination of its additive alternate Bids for which Owner determines funds will be available at the time of award.
 - C. Bid prices will be compared after adjusting for differences in time of Substantial Completion (total number of calendar days to substantially complete the Work) designated by Bidders. The adjusting amount will be determined at the rate set forth in the Contract for liquidated damages for failing to achieve Substantial Completion, or such other amount that Owner has designated in the Bid Tab.
 - 1. The method for calculating the lowest bid for comparison will be the summation of the Bid price shown in the Bid Form plus the product of the Bidder-specified time of Substantial Completion (in calendar days) times the rate for liquidated damages (in dollars per day).
 - 2. This procedure is only used to determine the lowest bid for comparison and contractor selection purposes. The Contract Price for compensation and payment purposes remains the Bid price shown in the Bid Tab.

- 15.04 In evaluating whether a Bidder is responsible, Owner will consider the qualifications of the Bidder and may consider the qualifications and experience of Subcontractors and Suppliers proposed for those portions of the Work for which the identity of Subcontractors and Suppliers must be submitted as provided in the Bidding Documents.
- 15.05 Owner may conduct such investigations as Owner deems necessary to establish the responsibility, qualifications, and financial ability of Bidders and any proposed Subcontractors or Suppliers.
- 15.06 Any terms of the Bidder's submittal that conflict with the language and requirements of the Town's solicitation or that take exception to the terms, conditions, specifications and/or other requirements stated within this ITB, may cause the Bidder's submittal to be considered nonresponsive and rejected. Exceptions may be evaluated by the Town on an individual basis to determine compliance with the purpose and intent of the terms and conditions stated within this solicitation

INSTRUCTION 16: AWARD AND SIGNING OF CONTRACT

- 16.01 Notwithstanding any other provision of this ITB, the Town expressly reserves the right, when determining whether to award a contract to the lowest responsive and responsible Bidder who has neither been disqualified nor rejected pursuant to the terms and conditions of the ITB, to:
- A. Waive any immaterial defect or informality; and/or
 - B. Reject any or all Bids, or portions thereof; and/or
 - C. Reissue an Invitation to Bid; and/or
 - D. Exercise any other rights available to the Town under the terms of the ITB, the Town Code, law, or equity.
- 16.02 When Owner issues a Notice of Award to the Successful Bidder, it shall be accompanied by the unexecuted counterparts of the Contract along with the other Contract Documents as identified in the Contract. Within 10 days thereafter, Successful Bidder shall execute and deliver the required number of counterparts of the Contract (and any bonds and insurance documentation required to be delivered by the Contract Documents) to Owner. Within ten days thereafter, Owner shall deliver one fully executed counterpart of the Contract to Successful Bidder.

INSTRUCTION 17: ADDITIONAL PROVISIONS

- 17.01 Contract Applicability: The Bidder shall substantially conform to the terms, conditions, specifications, and other requirements found within the text of this specific ITB. All previous agreements, contracts, or other documents, which have been executed between the Bidder and the Town, are not applicable to this ITB or any resultant contract.
- 17.02 Gratuities: The Town may, by written notice to the Bidder, cancel the resultant contract if it is found by the Town that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by the Bidder or any agent or representative of the Bidder, to any officer or employee of the Town with a view toward securing an order, securing favorable treatment with respect to the awarding, amending, or the making of any determinations with respect to the performing of such order. In the event the Town pursuant to this provision cancels the resultant contract, the Town shall be entitled, in addition to any other rights and remedies, to recover or withhold from Contractor the amount of gratuity. Paying the expense of normal business meals, which are generally made available to all eligible Town government customers, shall not be prohibited by this paragraph.
- 17.03 Public Record: All offers submitted in response to this ITB, whether or not accepted by the Town, shall become a matter of public record available for public inspection, subsequent to the award notification, in accordance with the Town's Procurement Policy and Arizona's Public Records laws.

- 17.04 Confidential Information: If a person believes that a bid, ITB, offer, specification, or protest contains information that should be withheld, a statement advising the Town of this fact shall accompany the submission and the information shall be identified. The information identified by the person as confidential shall not be disclosed until the Town makes a written determination.
- 17.05 Lobbying Prohibition: Any communication regarding this solicitation for the purpose of influencing the process or the award, between any person or affiliates seeking an award from this solicitation and the Town, including but not limited to the Town Council, employees, and contractors engaged to assist in the solicitation, is prohibited.
- A. This prohibition is imposed from the time of the first public notice of the solicitation until the Town cancels the solicitation, rejects all responses, awards a Contractor, and otherwise takes action which ends the solicitation process. This section shall not prohibit public comment at any Town Council meeting, study session or Town committee meeting.
 - B. This prohibition shall not apply to communication with the official contact(s) specifically identified in the solicitation or Town-initiated communications for the purposes of conducting the procurement, and in the manner prescribed in the solicitation, including but not limited to pre-bid conferences, clarification of responses, presentations if provided for in the solicitation, requests for Best and Final Proposals, contract negotiations, interviews, protest/appeal resolution, or surveying non-responsive vendors.
 - C. Violations of this provision shall be reported to Town's Finance Department / Issuing Office and may be a basis for rejecting a response or disbarment of the violator by the Town. Persons and/or entities violating this prohibition may be subject to a warning letter, rejection of their response, or disbarment by the Town, in the Town's discretion, depending on the nature of the violation.

4.7.2.4 Contractor shall schedule, prepare and submit all shop drawings in accordance with a time-table that will allow its suppliers and manufacturers sufficient time to fabricate, manufacture, inspect, test and deliver their respective products to the project site in a timely manner so as to not delay the complete performance of the work.

4.7.2.5 The review of Shop Drawings will be general and shall not relieve Contractor of responsibility for the accuracy of such drawings, nor for the proper fitting and construction of the Work, nor for the furnishing of materials or Work required by the Contract. No construction called for by Shop Drawings shall be initiated until such drawings have been reviewed and approved by Town.

4.7.3 Long Lead Time Items. Contractor shall submit Shop Drawings, as required by the Engineer, on all long lead items to be furnished and installed as part of the project within ten (10) days after execution of the Contract. In addition, Contractor shall order all long lead items to be furnished and installed as part of this Project within (3) days after receiving approved Shop Drawings. For all long lead times for which shop drawings are not required, Contractor shall order said long lead items within fifteen (15) days after execution of the Contract. Within two (2) days after ordering long lead items, Contractor shall supply copies of all purchase orders, along with an accurate delivery schedule from the supplier.

4.8 Project Record Documents

4.8.1 During the construction period, Contractor shall maintain at the jobsite a full-size set of prints of the Construction Document Drawings and Shop Drawings (if applicable) for Project Record Document purposes.

4.8.2 Contractor shall mark these drawings to indicate the actual installation where the installation varies from the original Construction Documents. Contractor shall give particular attention to information on elements that will be concealed, which would be difficult to identify or measure and record later. Items required to be marked include but are not limited to:

4.8.8 Project Manager will review the Project Record Drawings monthly prior to the date established for the Payment Request and shall be the sole judge of acceptance of these drawings.

4.9 Warranty and Correction of Defective Work

4.9.1 Contractor warrants to Town that the construction of the Work shall be of good and workmanlike quality and completed in strict conformance with all applicable laws, rules and regulations and the plans and specifications and all other terms and conditions of the Contract Documents, including all materials and equipment furnished as part of the construction, shall be new unless otherwise specified in the Contract Documents, of good quality, in conformance with the Contract Documents and free of defects in materials and workmanship.

4.9.2 The date of Substantial Completion shall be the beginning of the Warranty period, irrespective of early completion by some Subcontractors of their work. - (n) Acoustical Tile — Five (5) years.
- (o) Resilient Floor Covering — One (1) year.

4.9.5 Nothing in the warranties contained in the Contract Documents are intended to limit any manufacturer's warranty which provides Town with greater warranty rights than set forth in this Section or the Contract Documents. Contractor will provide Town with all manufacturers' warranties prior to Final Acceptance.

4.9.6 A progress payment, or partial or entire use or occupancy of the Project by Town, shall not constitute acceptance of Work not in accordance with the Contract Documents.

4.9.9 Without limiting the foregoing or anything in these General Conditions or the Contract to the contrary, Contractor shall obtain and provide to Town all warranties for any portion of the Project offered by the manufacturer, installer or provider thereof. Town and the user of the facility shall have the right to the full value and benefit of all such warranties. Contractor will ensure all such warranties are fully transferrable to facilitate the full value of this Section 4.9.9.

SECTION 5 — TOWN'S RESPONSIBILITIES

5.1 Town Project Manager. Project Manager is responsible for providing Town-supplied information and approvals in a timely manner to assist Contractor to fulfill its obligations under the Contract Documents.

5.2 Contractor Services. Town may contract separately with one or more Contractors to provide construction administration of the Project. The Contractor's Contract, as well as other firms hired by Town shall be furnished to Contractor. Contractor shall not have the right to limit or restrict or reject any Contract modifications that are mutually acceptable to Town and Contractor.

5.3 Materials Testing. Town shall be responsible for all materials testing and associated costs. The Project Manager, or their designated representative, shall be the sole authority for authorizing and requesting testing or other observation services.

5.4 Residential Notifications and Private Property Access. Town shall be responsible for notification to local residents affected by access issues to their property during construction. The Contractor agrees to communicate and coordinate with Town in these efforts, and to make a best effort to minimize property ingress/egress issues during the course of construction.

5.5 Emergency Services Access Coordination. Town shall be responsible for notifying and coordinating access restrictions and other service-limiting issues for Police, Fire and EMS services. This item is of particular importance due to the Town Fire Department having its primary ingress/egress on 1st St. at Pinal St. The Contractor agrees to schedule and coordinate any and all construction activities and access restrictions with Town as it may impact or affect Police, Fire and EMS services.

SECTION 6 — CONTRACT TIME

6.1 Contract Time (aka Period of Performance).

6.1.1 The Contract Time shall start with the Notice to Proceed (“NTP”) and end with Final Acceptance, as set forth in Section 6.4 below.

6.1.2 The Notice to proceed shall be issued in accordance with MAG Specifications § 108.

6.1.3 The Contract Time shall be as set forth in the Project Schedule. Contractor agrees that it will commence performance of the Work and complete the Project through both Substantial Completion and Final Completion within the Contract Time.

6.1.4 Time is of the essence of this Contract, for the Project, for the Work, and for each phase and/or designated Milestone thereof.

6.2 Project Schedule.

6.2.1 The Project Schedule shall be updated and maintained throughout the Contract Time.

6.2.2 The Project Schedule shall be revised as required by conditions and progress of the Work, but such revisions shall not relieve Contractor of its obligations to complete the Work within the Contract Time, as adjusted in accordance with the Contract Documents. No modification to the Contract Documents or the Contract Time shall be effective unless approved in advance by Town.

6.2.3 An updated Project Schedule shall be submitted monthly to Town as part of the Payment Request. This requirement shall be independent of any other Project Schedule submittal requirements.

6.2.4 Contractor shall provide Town with a monthly status report with each Project Schedule detailing the progress of the Work, including: (i) if the Work is proceeding according to schedule, (ii) any discrepancies, conflicts, or ambiguities found to exist in the Contract Documents that require resolution, and (iii) other information detailing items that require resolution so as not to jeopardize the ability to complete the Work in the Contract Time.

6.2.5 Acceptance of a submitted schedule by Town should in no way be construed as an affirmation or admission that the schedule is reasonable or workable by Contractor. The responsibility for completing the Work on the Project within the Contract Time remains the obligation of Contractor. Town’s review shall not relieve Contractor from compliance with the requirements of the Contract Documents or be construed as relieving Contractor of its complete and exclusive control over the means, methods, sequences and techniques for executing the work.

6.2.6 Critical Path Method (CPM)

6.2.6.1 Unless otherwise specified in the Contract, the Project Schedule shall include a Critical Path Method (CPM) diagram schedule showing the sequence of activities, the interdependence of each activity and identifies the Critical Path.

6.2.6.2 The CPM diagram schedule shall be in calendar Days and indicate duration, earliest and latest start and finish dates for all activities, and total Float Times for all activities except critical activities. The CPM diagram shall be presented in a time scaled graphical format such as a Gantt Chart for the Project as a whole. MS Excel spreadsheets shall not be an acceptable format or medium for conveying graphical schedule information.

6.2.7 Float Time

6.2.7.1 The total Float Time within the overall schedule is for the exclusive use of Town, but Town may approve Contractor's use of Float as needed to meet contract Milestones and the Project completion date.

6.2.7.2 Contractor shall not be allowed to sequence, hide, or reallocate Float Time through such strategies, as extending activity duration estimates to consume available Float, using preferential logic, or using extensive crew/resource sequencing, etc. No time extensions will be granted nor delay damages paid until a delay occurs which extends the Work beyond the Contract Time.

6.2.7.3 Rain-Related Delays. Contractor is required, in preparing the Project Schedule to take into account all relevant weather conditions, including normal rainfall and distribution. No additional Compensation shall be given for any rain-related delays or impacts on the Work or the Project Schedule. The burden of documenting normal rainfall, the excessive rainfall and the impact on Critical Path activities is on Contractor.

6.3 Substantial Completion.

6.3.1 When Contractor considers that the Work, phase or a portion thereof, which Town agrees to accept separately, is substantially complete, Contractor, in conjunction with the Inspector, shall prepare and submit to the Project Manager a comprehensive Punch List of items to be completed or corrected prior to Final Acceptance and Final Payment

6.3.2 Upon receipt Contractor's Punch List, Project Manager will make an inspection to determine whether the Work or designated portion thereof is substantially complete. If the inspection by the Project Manager discloses any item, whether or not included on Contractor's Punch List, which is not sufficiently completed in accordance with the Contract Documents so that Town can occupy or utilize the Work, phase or designated portion thereof for its intended use, Contractor shall, before issuance of the Certificate of Substantial Completion, complete or correct such item upon notification by Project Manager.

6.3.3 Certificate of Substantial Completion. The Project Manager shall not issue a Certificate of Substantial Completion unless and until the Work (or separable units or Phases as provided in the Contract Documents) is essentially and satisfactorily complete in accordance with the Contract Documents, such that the Project is ready for use by Town for its intended purpose, opening to the general public, full occupancy or use by Town (including, without limitation, streets, sidewalks, driveways, curb and gutter, drainage channels, fencing, pavement striping, and/or all areas serving the general public, as applicable, shall be ready for full operation without material inconvenience or discomfort), including, to the extent applicable to the Work, the following: all materials, equipment, systems, controls, features, facilities, accessories and similar elements are installed in the proper manner and in operating condition, inspected and approved; surfaces have been painted; masonry and concrete cleaned with any sealer or other finish applied; site work complete; paving completed, signage installed, and/or other work as applicable, has been performed to a similar state of essential and satisfactory completion. In no event

shall Substantial Completion be deemed to have occurred unless and until: (i) a temporary certificate of occupancy has been issued by the appropriate Governmental Authorities (as applicable) and (ii) all terms and Work required under this Agreement have been fulfilled by Contractor and same shall have also been approved and accepted by Town, subject only to the Punch List Items.

6.4 Final Acceptance and Final Completion.

6.4.1 Unless otherwise expressly agreed to in writing by Town, Final Completion must be obtained by no later than 30 calendar days after the date of Substantial Completion. Failure to timely obtain Final Completion will be a material breach of the Contract.

6.4.2 Upon receipt of written notice that the Work is ready for final inspection and acceptance, Town and Contractor will jointly inspect to verify that the remaining items of Work have been completed. There shall be no partial acceptance. Final Acceptance shall not be issued and Final Completion shall not occur until all items of work, including Punch List Items, have been completed to Town's satisfaction as reflected in the written Final Acceptance.

6.4.3 Final Payment under Section 8.4 below shall not be due, owing, or paid by Town until Final Completion is obtained.

SECTION 7 — CONTRACT PRICE

7.1 Fixed Price Contracts. The Contract Price for all Fixed Price Contracts shall be the amount set forth in the Contract.

7.2 Town Sales Tax. Contractor is required to pay Town Sales Tax on any contracting activity done for the Town, and this cost shall be included in all Contract Prices.

SECTION 8 — PAYMENT

8.1 Payment for Construction Services.

8.1.1 Subject to the terms of the Contract Documents, including this Section 8, payment for the Work will be made in accordance with MAG Specifications § 109 as amended below.

8.1.2 In MAG Specifications § 109.7 (A), replace the first paragraph of the subsection with the following:

Town will make monthly progress payments during the course of the contract. The payments (estimates of work completed) will be prepared by Contractor on form provided by Town, and approved by Project Manager. The monthly payment cycle will start with the date of the Notice to Proceed. Town may process payments more frequently if requested by Contractor and agreed to in writing by Town.

8.1.3 Payments shall be made pursuant to A.R.S. § 34-221 and/or § 34-609, as applicable.

8.1.4 When construction of the Project is fifty percent (50%) completed, Contractor may request payment of one-half of the retention pursuant to A.R.S. § 34-221(C)(3) and/or §34-609(B)(3), subject to all of Town's rights to withhold or offset payments, and/or other rights of Town, under the Contract.

8.1.5 Town reserves the right under A.R.S. § 34-221(C)(3) and/or § 34-609(B)(3) to reinstate the ten percent (10%) retention if Town determines that satisfactory progress is not being made.

8.2 Final Payment. Subject to all of Town’s rights to withhold or offset payment, and other rights under the Contract, Final Payment including remaining retainage shall be paid only after: (i) the Work has been fully completed (including completion of all incorrect or incomplete work items) and the written Final Acceptance has been issued by Town; (ii) necessary operating manuals, any excess materials and supplies necessary for matching materials and supplies incorporated into the Work, and complete “as-built” drawings (including the Building Information Model, if required by the Contract Documents), plans and specifications have been delivered to Town; (iii) full and unconditional lien waivers and releases by Contractor and any person performing labor or supplying material, machinery, fixtures, or tools for the Work have been delivered to Contractor; (iv) all conditions and requirements imposed by Town or any financing entity for the corresponding disbursement have been met; (v) Contractor supplied Statement of Warranty; and (vi) Contractor delivers to Town a Contractor Payment Request Form requesting Final Payment.

8.3 Town’s Right to Withhold Payment. Town may withhold payment to such extent as may be necessary in Town’s opinion to protect Town from loss for which Contractor is responsible, including, without limitation:

- i. Defective Work not remedied;
- ii. Third party claims filed or reasonable evidence indicating probable filing of such claims unless security acceptable to the Town is provided by Contractor;
- iii. Failure of Contractor to make payments properly to Subcontractors or for labor, materials or equipment;
- iv. Reasonable evidence that the Work cannot be completed for the unpaid balance of the Contract Sum;
- v. Damage to the Town or another Contractor;
- vi. Reasonable evidence that the Work will not be completed within the Contract Time, and that the unpaid balance would not be adequate to cover actual or liquidated damages for the anticipated delay; or
- vii. Persistent failure to carry out the Work in accordance with the Contract Documents.

8.4 Joint/Direct Checks. Payments to Contractor shall be made by checks payable directly to Contractor or their Surety Bond Company only.

8.5 Payment Not A Waiver. No payment (nor use or occupancy of the Project by the Town) shall be deemed acceptance or approval of the Work or as a waiver of any claims, rights, or remedies of Town.

8.6 Liens and Bond Claims. Contractor shall make all payments, in the time required, of all labor and materials furnished to Contractor in the course of the Work and shall promptly furnish evidence of such payments as Town may require. Contractor shall pay when due all claims arising out of performance of the Work covered by this Contract for which a lien may be filed either against the real estate or leasehold interest of Town, or against payments due from Town to Contractor, or for which a claim may be made against any payment or performance bond or both. To the fullest extent permitted by law, Contractor agrees that no liens or other claims in the nature of a lien against the real estate, leasehold, or other interest of Town, against payment due from Town to Contractor, or against any payment or performance bond, shall be filed or made in connection with the Work by any party who has supplied professional services, labor, materials, machinery, fixtures, tools, or equipment used in or in connection with the performance of this Contract, and Contractor agrees to remove or to cause to be removed any such liens or claims in the nature of a lien or bond claim within ten (10) days upon receiving notice or obtaining actual knowledge of the existence of such liens or claim. In addition, Contractor agrees to defend, indemnify, and hold harmless Town from and against any and all such liens and claims. This paragraph does not apply to claims and liens of Contractor due to non-payment for work performed.

8.7 Financial Record Keeping and Town's Audit Right.

8.7.1 Records for all Contracts between Town and Contractor shall, upon reasonable notice, be open to inspection and subject to audit, scanning, and/or reproduction during normal business working hours. Town or its designee may conduct such audits or inspections throughout the term of this Contract and for a period of three years after Final Payment or longer if required by law.

8.7.2 Town, its authorized representative, and/or the appropriate agency, reserve the right to audit Contractor's records in compliance with local, state or federal policies, statutes or at Town's discretion, within three (3) years of Final Acceptance of the Work.

SECTION 9 — CHANGES TO THE CONTRACT

9.1 Extra Work/Changes in the Work.

9.1.1 Town reserves the right to make such changes in the plans and specifications for the Work, as it may deem appropriate and any such change as set forth in a written Change Order or Extra Work Order shall be deemed a part of this Contract as if originally incorporated herein.

9.1.2 Contractor shall not be entitled to payment for additional work unless a written Change Order or Extra Work Order, in form and content prescribed by Town, has been executed by Town prior to starting the additional work.

9.1.3 Any agreement which modifies the terms of the Contract (including Change Orders) shall be approved in writing by the Project Manager. Once properly executed by both parties, these modifications to the Contract shall have the same effect as if they had been included in the original Contract.

9.2 Accuracy of Change Order Pricing Information. Signature by the contracting parties shall constitute full accord and satisfaction between Town and Contractor for all costs, damages, and expenses of whatever kind of nature, including delay, impact or acceleration damages, which may be occasioned by a Change Order of other modification of the Contract agreed to in writing.

SECTION 10 — SUSPENSION AND TERMINATION

10.1 Suspension. Town may suspend the Contract and/or Contractor's performance in accordance with MAG Specifications § 105.1.

10.2 Termination by the Town for Cause.

10.2.1 MAG Specifications § 108.11 applies to the Contract.

10.2.2 Town may also terminate the Contract if Town determines, in its sole discretion, that Contractor has:

- (a) Refused or failed to supply enough properly skilled workers or proper materials;
- (b) Failed to make payment to Subcontractors for materials or labor in accordance with the respective agreements between Contractor and the Subcontractors;
- (c) Disregards laws, ordinances, or rules, regulations or orders of a public authority having jurisdiction; or

- (d) Otherwise breached a provision of the Contract Documents or any other contract between Town and Contractor.

10.2.3 When any of the above reasons exist, Town may terminate the Contract, without prejudice to any other rights or remedies of Town, after giving Contractor and Contractors' surety, if any, seven (7) days' prior written notice of Town's intent to terminate the Contract and Contractor's failure to cure any such reasons. Upon such termination, Town may: (1) take possession of the Site and of all materials thereon owned by Contractor; and/or (2) finish the Work by whatever reasonable method Town may deem expedient. When Town terminates the Contract for one of the reasons state above, Contractor shall not be entitled to receive further payment until the Work is finished. If the unpaid balance of the Contract Price, excluding any remaining Contingency existing at the time of such termination exceeds the costs and expenses of finishing the Work and any other damages incurred by Town, such excess shall be paid to Contractor. If such costs, expenses and damages exceed such unpaid balance, Contractor shall pay the difference to Town. This obligation for payment shall survive termination of the Contract.

10.3 Termination by Town for Convenience. Town may also terminate the Contract at any time for its convenience upon seven (7) days written notice to Contractor specifying the termination date. In the event of termination which is not the fault, in whole or in part, of Contractor, Town shall pay to Contractor only such compensation, including reimbursable expenses, due for Work properly performed on the Project prior to the termination date. Upon any termination of the Contract, no further payments shall be due from Town to Contractor.

10.4 A.R.S. § 38-511. The Contract is subject to, and may be terminated by Town in accordance with, the provisions of A.R.S. § 38-511.

10.5 Non-Appropriation. Town is a government agency which relies upon the appropriation of funds by its governing body to satisfy its obligations. If Town determines that it does not have funds to meet its obligations under the Contract, Town shall have the right to terminate the Contract without penalty on the last day of the fiscal period for which funds were legally available for the Project.

10.6 Under no circumstances shall Town have any liability for any costs, expenses, overhead, or profits in relation to any work not actually performed, or for any future or anticipated profits, recovery, damages, expenses, or losses.

SECTION 11 — INSURANCE AND BONDS

11.1 Insurance Requirements.

11.1.1 Contractor shall obtain, maintain, and provide verification of insurance coverage set forth in the Town's Insurance Requirements, as modified by any applicable Special Provisions, of the Contract.

11.1.2 Town may, in the Contract Documents, designate additional insured(s) along with Town (and their respective employees, members, representatives, agents and affiliates) on all required insurance policies, and all coverage applicable to Town under this Section 11.1 and the Insurance Requirements in the Town's Insurance Requirements shall apply to such designated additional insured(s) as well.

11.2.3 Failure to maintain the insurance policies as required by this Contract or to provide evidence of renewal is a material breach of this Contract.

11.1.4 Subcontractors. Contractor's certificate(s) shall include all Subcontractors as additional insureds under its policies or Contractor shall furnish to Town separate certificates and endorsements for each Subcontractor. All coverages for Subcontractors shall be subject to the minimum requirements set forth in the Contract Documents, including the Town Insurance Requirements.

11.2 Bonds and Other Performance Security.

11.2.1 Prior to execution of the Contract, Contractor shall provide a Performance Bond and a Payment Bond, each in an amount equal to the full amount of the Contract Price.

11.2.2 Each such bond shall be executed by a surety company or companies holding a Certificate of Authority to transact surety business in the State of Arizona, issued by the Director of the Arizona Department of Insurance. A copy of the Certificate of Authority shall accompany the bonds.

11.2.3 The bonds shall be made payable and be acceptable to Town. The bond forms for the performance and payment bonds shall be in the forms required under A.R.S. § 34-221, *et seq.*

11.2.4 All bonds submitted for this project shall be provided by a company which has been rated AM Best rating of A or better for the prior four quarters by the latest edition of the 'Results Best's Key Rating Guide (Property/Casualty)' published by the A.M. Best Company.

11.2.5 Personal or individual bonds are not acceptable.

SECTION 12 - INDEMNIFICATION

12.1 To the fullest extent permitted by law, Contractor, its successors and assigns shall defend, indemnify and hold harmless the Town and its agents, representatives, officers, directors, officials and employees from all demands, proceedings, suits, actions, claims, damages, or losses relating to, arising out of, resulting from or alleged to have resulted from the performance of the Work or failure to comply with Contractor's obligations under the Contract Documents or any laws, regulations, or legal requirements. Contractors' duty to defend, indemnify and hold harmless Town and its agents, representatives, officers, directors, officials and employees shall arise in connection with all demands, proceedings, suits, actions, claims, workers' compensation claims, unemployment claims, damages, losses or expenses (including but not limited to attorney's fees, court costs, and the cost of appellate proceedings) that are attributable to personal or bodily injury, sickness, disease, death or injury to, impairment or destruction of property including loss of use resulting therefrom, caused by any act or omission of Contractor, a Subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable.

12.2 Contractor shall also defend, indemnify and hold harmless Town, the Contractor, any jurisdiction or agency issuing permits for any work involved in the project and their consultants and each of their directors, officers, employees and agents from and against all losses, expenses, damages (including damages to the work itself), attorney's fees and other costs including costs of defense, which any of them may incur with respect to the failure, neglect, or refusal of Contractor to faithfully perform the Work and all of the Work and all of Contractor's obligations under the Contract. Such costs, expenses, and damages shall include all costs, including attorney's fees, incurred by the indemnified parties in any lawsuit to which they are a party.

12.3 The indemnified party shall have the right to approve the legal counsel selected by Contractor or the insurer of the liability, which approval shall not be unreasonably withheld.

12.4 The defense, indemnification, hold harmless provisions and Town's Liability Insurance set forth herein shall survive any termination of the Contract.

SECTION 13 — DISPUTE RESOLUTION

13.1 Informal Dispute Resolution. The parties to the Contract agree that time is of the essence in relation to performance of the Contract and completion of the Project, therefore any and all disputes in relation to the Contract will initially be referred to the Project Manager, the Design Professional Representative and/or the Contractor Representative as applicable to the dispute, for immediate resolution. If, after good faith efforts to reach

a resolution, none is reached, any party to the dispute may submit the dispute to the Dispute Resolution Representative (“DRR”) process set forth below, which is intended to be an expedited process.

13.2 Dispute Resolution Representative (DRR) Process.

13.2.1 The Parties under the Contract agree that all claims and disputes in relation to the Project which are not resolved in the ordinary course of the Project (Claim or Claims) shall, as a prerequisite to any mediation, or litigation of the Claim, first be submitted for resolution between the designated Dispute Resolution Representatives of the Parties as set forth herein (the “DRR Process”).

13.2.2 The DRR Process shall be initiated through service of a DRR Notice as set forth below:

(a) for claims by the Contractor or the Design Professional, the DRR Process shall be initiated by the party asserting the claim serving written notice on the Town setting forth in detail: (i) the basis for the claim; (ii) the effect of the Claim upon the construction of, and/or Project Schedule for, the Project; (iii) the specific relief requested, the amount thereof, and how such was calculated; (iii) the parties involved in the Claim, and how they are involved; (iv) the specific contract provisions in the Contract Documents (including, if applicable, drawings and specifications) which apply; and (v) efforts made to date to resolve the Claim.

(b) For claims by the Town, the DRR process will be initiated by the Town providing written notice to the other parties of the basis and amount of its claim, the parties involved in the Claim, and how they are involved, the provisions in the Contract Documents that apply, and the relief requested.

(c) The DRR Notice shall be hand-delivered and e-mailed to the other parties’ designated Dispute Resolution Representatives.

13.2.3 The other parties shall respond in writing to the DRR Notice (DRR Response) within ten (10) calendar days of receipt of the DRR Notice, setting forth those items set forth in the DRR Notice that they agree with, dispute, and/or have questions concerning. The DRR Response shall be hand-delivered and e-mailed to the other parties’ Dispute Resolution Representatives.

13.2.4 The designated Dispute Resolution Representatives for the Parties to the claim shall then meet as soon as possible and in any event within twenty (20) calendar days of submission of the DRR Notice (regardless of whether a DRR Response has been submitted by all parties involved in the dispute), at a mutually agreed upon time and place, to attempt to resolve the Claim based upon the DRR Notice and DRR Response.

13.2.5 At any time after the first meeting required above, either party may terminate the DRR Process by written notice to the other party.

13.2.6 The parties may agree, in writing, to extend or modify the time limits or other provisions of the DRR process in relation to a specific pending Claim.

13.2.7 Unless otherwise designated in a written notice to the other parties, the Project Manager and the representatives of the Contractor and of the Design Professional shall act as the parties’ designated Dispute Resolution Representatives.

13.2.8 If a resolution of the Claim is reached, that resolution shall be set forth in writing and shall be signed by the Parties’ designated Dispute Resolution Representative. If the resolution involves a change in any Contract Documents, the Contract Price, the Project Schedule, or any other change requiring a written Change Order or Amendment, the parties shall execute an appropriate written Change Order or Amendment pursuant to the terms of the Contract Documents.

13.3 Mediation.

13.3.1 Unless extended by written agreement of the parties involved in the dispute, any Claim not resolved through the DRR process set forth above within five (5) calendar days after the meeting required under B (4) above, or after the DRR is terminated pursuant to B (5) above, whichever is earlier, shall be submitted to mediation as a condition precedent to litigation by either party.

13.3.2 The mediation shall be commenced by written demand upon the other party for mediation. If the parties cannot agree upon a mediator within ten (10) calendar days of the written demand, either party may make a request to the Civil Presiding Judge of the Pinal County Superior Court to appoint a mediator. The mediation shall occur within forty (40) calendar days of the written demand for mediation, unless the parties agree, in writing, to a longer period of time.

13.3.3 The qualifications for the mediator shall be that they be: (a) an experienced mediator, arbitrator or litigator of construction disputes; and (b) having engaged a significant portion of their time involving and/or resolving construction disputes for at least the past five (5) years.

13.3.4 Each party shall provide to the other party and the mediator all of the information and documentation required under B(1) and (2) above, together with any additional information and documentation which the party believes relevant. In addition, the parties shall exchange, and provide to the mediator such additional memoranda, information and/or documentation, as the mediator may request, and in the form and at such times, as the mediator may direct.

13.3.5 The parties shall share the mediator's fee and any filing fees equally. The mediation shall be held in Florence, Arizona, unless another location is mutually agreed upon. Agreements reached in mediation shall be specifically enforceable in any court having jurisdiction thereof.

13.4 Arbitration.

13.4.1 If the mediation is unsuccessful, the parties shall submit the dispute and/or claim to be resolved through binding arbitration conducted according to the then current Construction Industry Arbitration Rules of the AAA, but not administrated or conducted by the AAA, which arbitration shall be held in Pinal County, Arizona, utilizing a single arbitrator selected by the parties, unless the parties agree, in writing, to an alternative arbitration procedure.

13.4.2 If: (a) the parties cannot agree on a single arbitrator within two (2) weeks of the demand for arbitration; or (b) the parties at any time prior to the arbitrator being appointed and the arbitrator has accepted the appointment, cannot agree upon any significant aspect of the arbitration, not already addressed herein, either party may submit the Claim directly to the AAA to select the Arbitrator, and thereafter the arbitration shall be administered by the AAA.
