**Solicitation SU-20 – Recharge Facility
ADDENDUM #3
Bid Extension to 10/30/18
October 23, 2018**

Clarification:

It has been brought to the Town's attention that there is a conflict in the bid document instructions. In the body of the Bid Document it makes mention that the Town is responsible for the construction material testing, yet on the Bid Tab there is a line item for the Contractor to include this expense in their estimate.

Please use the Bid Tab: Line 14 Provide all materials testing including but not limited to compaction, concrete etc.

The Proposal due date is extended to 10/30/2018, Town Hall Chambers, 2:00pm.
