

# Expiration of Transfer Station Contract

Alternative Options for Residents

# Background

---

- Town of Florence stopped Municipal Solid Waste service in 2013.
- In 2013, the Town signed an agreement with George Johnson (Central Arizona Solid Waste).
  - One-year contract.
  - Four options to renew.
  - Final option taken in 2017, and expires 6/30/2018.

# Additional Options

---

1. Residents can continue to use the Central Arizona Solid Waste transfer station after 6/30/2018.
  - The Town will no longer pay the fee.
  - Residents would pay the prevailing rate.

# Additional Options

- Residents can use the Curbside Bulk Pick-up service through RAD.
  - There is no extra fee for this service.
  - Allows for up to **20** cubic yards of waste.
  - Available monthly.
    - First Wednesday of the month for most of town.
    - Second Wednesday of each month for Anthem.

# Additional Options

---

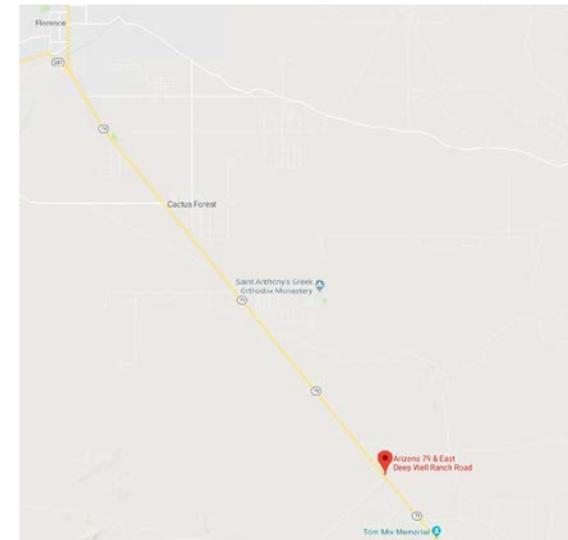

3. Residents can use the annual Community Clean-Up Day.
  - Traditionally held each March.
  - Includes option for some Hazardous Materials (no gas, explosives, or Bio waste)

# Additional Options

4. Residents can use the County's quarterly Free Disposal Days.
  - Two left in 2018 (7/14/18, 10/13/18).
  - Open from 8:00 a.m. to 12:00 p.m.
  - Location: Hwy 79 and Deep Wells Ranch Road, Florence AZ

# Additional Options

## 5. Annual Christmas Tree Recycling Program

- Two drop-off sites (Heritage Park and Anthem)

How do you stuff  
a Christmas tree  
into a garbage  
can?

**You DON'T!**

Recycle Your Tree Instead!

# Additional Options

---

## 6. Residents can use the Town Rent-A-Truck program.

- Rent a brush or dump truck for the weekend.
- Truck dropped off Friday, picked up on Monday.
- Holds 3-4 tons, and about 14 cubic yards.
- Normal dump cost ~\$175. **Rental = \$95**

# Additional Options

---

7. White appliances can be recycled.
  - Stoves, Refrigerators, Washers, Dryers, and Microwaves can be dropped off at any time.
  - Waste tires are also accepted (up to 5 per year/per person for free).
  - Pinal County Public Works Material Recovery Center is located at 12725 Adamsville Road, Florence, AZ

# Additional Options

---

## 8. Hazardous Material can be disposed of in Coolidge.

- Heritage Environmental Services is located at 284 E. Storey Road, Coolidge Az 85128.
- Rate is \$.25 per pound for non-hazardous material, or \$.75 per pound for hazardous material.

# Additional Options

---

## 9. Wait for Pinal County Transfer Station

- The County will be finishing a feasibility study on a transfer station within the county by the end of this month.
- The Town could choose to partner on an effort to create this new facility.
