TYPICAL CONDITIONAL USE PERMIT APPLICATION PROCESS

CONDITIONAL USE PERMIT APPLICATION PROCEDURES

The following information is provided to assist in the preparation and submittal of an application for a Conditional Use Permit (CUP) for a property within the Town of Florence. The CUP request will be considered by the Planning Commission for a recommendation and the final decision will be made by the Town Council.

It is important to note that since a CUP permit may affect the entire community, adjacent jurisdictions, schools and public utilities, the analysis of a CUP permit request should be comprehensive in nature and address all potential impacts.

1. **Pre-Application Review Process** – Prior to filing an application for a General Plan amendment, the applicant, where requested, must complete participate in a Pre-Application review meeting with the Community Development Department and Technical Review Committee (TRC).
2. **Application Filing** – For an application to be accepted, the applicant must provide all of the required information described on the submittal checklist at the time of formal submittal. Ensuring the accuracy of the request is the responsibility of the applicant. Applications will not be accepted or processed without an adequate description of the request being submitted. Incomplete applications will not be accepted.
3. **Staff Review** – Upon receiving a complete application, the submitted information will be routed to Town staff and applicable affected agencies for review and comment. After this review is completed, the comments are consolidated and returned to the applicant. The applicant is responsible for addressing staff comments and submitting revised plans.
4. **Neighborhood Meetings** – Neighborhood meetings beyond the required minimum Town hearings may be required for certain CUP requests, as deemed necessary by the Community Development Director or per applicable state or local codes. Applicants will be required to set up and conduct these meetings. Efforts shall be made to encourage public participation.
5. **Public Notice** – The Town will prepare the public notice to mail to surrounding property owners and provide a copy to the applicant. The notice for the Planning and Zoning Commission public hearing must be mailed by the applicant at least fifteen (15) calendar days prior to the date of the hearing to the following:
 - a. All property owners of record within three hundred (300) feet of the site.
 - b. To the owner, if the application is initiated by a person other than the owner;
and

- c. Any person or group who has requested notice in writing.

The Community Development Director may expand the notification area set forth in this section if it is determined that the potential impact of the project extends beyond the required notification boundary.

The Town will send public hearing notices to the local newspaper of general circulation in accordance with State and local requirements.

- 5. **Property Posting (Sign)** – Notice of Public Hearing for a CUP must be posted at least fifteen (15) calendar days prior to the date of the first public hearing. The applicant is responsible for posting the sign on the property, subject to the following specifications and requirements:
 - a. Posting, maintenance, and removal of signs are the responsibility of the applicant. The applicant must remove all signs within ten (10) days of the public hearing. If the sign is not removed on time, the Town will remove the sign and charge the applicant a removal fee;
 - b. The signs must comply with the attached sign criteria;
 - c. The applicant must submit a signed and dated affidavit of posting, and color photos of the posted signs prior to the public hearing;
 - d. Failure of the applicant to provide evidence of posting will result in a postponement of the public hearing. The applicant will be charged a fee for the postponement.
- 6. **Staff Reports** – After the staff comments have been addressed and the project has been scheduled for the public hearings, the Community Development Department will prepare reports describing and evaluating the proposed project and making recommendations to the Planning and Zoning Commission and Town Council. Copies of the staff reports will be made available to the public, where requested, and sent to the applicant prior to each public hearing.
- 7. **Planning and Zoning Commission Hearing** – The Planning and Zoning Commission will conduct at least one public hearing. A Planning and Zoning Commission hearing schedule is included in this application. Regular meetings are held at Florence Town Hall, 775 North Main Street. The applicant or a project representative should be present at the hearing. Upon hearing the case, the Commission may recommend approval, recommend approval with modifications or recommend denial of a CUP request to the Town Council. The Commission may continue/table a case as deemed necessary.
- 8. **Town Council Hearing** – Regular Town Council hearings occur on the first and third Monday of each month at 6:00 p.m. and are held in the Council Chambers, 775 North Main Street. The applicant or project representative should be present at

the hearing. The Town Council will approve, approve with modifications and/or conditions, or deny the application.

9. **Inactive Cases** – All applications need to be actively pursued to a decision. If no activity has occurred on an application for 180 days, the application will be determined to be inactive, deemed to be withdrawn and the file will be closed. At least thirty (30) days prior to that date the staff will notify the applicant in writing. The applicant may submit a written request that the application remain active, with an explanation for the inactivity. The Community Development Director may grant an extension for up to 180 days for good cause if there is a reasonable belief that the application will be actively pursued during the extension period.
