

General Fire Operational Permit Submittal Information

Welcome to the Town of Florence, Arizona. The Community Development Department is dedicated to shaping the public policies that guide the growth and development of Florence. This is achieved by developing sound land use strategies, adhering to responsible zoning and development standards, ensuring buildings are safe for occupancy, preserving our cherished historic structures, and overseeing the well-being of local neighborhoods. In serving Florence residents, we are committed to providing excellent customer service through proactive, community-based planning, and supporting appointed and elected officials as we build a thriving, livable environment that embodies progress, prosperity, and a strong sense of community for all.

Please attach the following items for your submittal:

- General Fire Operational permit application completed and signed by applicant.
- Copy of Original Fire Inspection Report.

Permit Fee: \$100.00 (annual).

The Permit Fee is due once the application has been processed.

Permit applications and plans shall be submitted electronically to tofpermits@florenceaz.gov

Payments. Payments can be made in person, over the phone, or by mail.
(Please note: A 3% transaction is charged for debit/credit card payments.)

Scope of Work Being Performed:

Fire Operational Permits are issued Annually and are due for renewal prior to the expiration date. Issuance of a reoccurring operational permit does not mandate a fire inspection.

Signature _____ Date _____
Applicant

2018 International Fire Code, Chapter 1, Section 105.2.2 Inspection authorized. Before a new operational permit is approved, the fire code official is authorized to inspect the receptacles, vehicles, buildings, devices, premises, storage spaces or areas to be used to determine compliance with this code or any operational constraints.
