The submission of claim must contain the Covered Person's name and enough information to identify the Covered Person and the claimed Covered Expense. Claims may be mailed to us at P. O. Box 17323, Phoenix, Arizona, 85001 attn: Fire Fighter Cancer Plan Administrator, or to our designated agent.

CLAIM FORMS. When we receive the Covered Person's claim, the Covered Person will be sent forms to file proof of claim, and must return same to us, fully completed, with all available backup documentation attached, within 15 days of the date we send the Covered Person the proof of claim forms (the "Return Period"). If the Covered Person fails to forward to us the completed forms within the requisite 15 day Return Period, then the Covered Person's claim may still be recognized and validated by us, but only if he or she provides us with a detailed written statement of the nature and extent of his claim within the Return Period.

PROOF OF CLAIM. In addition to returning to us the completed proof of claim form within the Return Period, written Adequate Proof sufficient to substantiate the Covered Person's claim under this Plan must be sent to us within 60 days after the date the Covered Expense giving rise to the claim is incurred. If it was not reasonably possible to give us written Adequate Proof within 60 days, we will not reduce or deny a claim for this reason, so long as written Adequate Proof is sent to us or our agent as soon as reasonably possible.

PAYMENT OF CLAIMS. Claims for benefits provided by the Plan will be paid within a reasonable period following our determination (or that of our agent) that the Covered Person has provided us with Adequate Proof of the validity of such claim.

All benefits are paid directly to the Covered Person, unless he directs us otherwise. If a benefit is unpaid at a Covered Person's death or if we feel he is not able to give a valid receipt for payment, we may pay an amount up to \$1,000 to any relative by blood or marriage who we deem, in the unfettered exercise of our discretion, to be equitably entitled. Any payment we make in good faith will fully discharge us to the extent of the payment, and any party who contests such payment on grounds he is entitled to same under this Plan shall be obligated to reimburse us for all attorneys' fees and all costs of litigation reasonably incurred by us to defend the propriety of such payment if it is determined in a court of appropriate jurisdiction that our payment was appropriate.

When a claim is paid for expenses incurred during the Grace Period, any premium due and unpaid us may be deducted from the claim payment, and the Covered Person may seek reimbursement for the deducted sums from his employer.

RIGHT TO RECOVERY. If payments for claims exceed the maximum amount payable under any benefit provisions or official, authorized Riders of the Plan, we have the right to recover the excess of such payments from the Covered Person using any lawful means, including, without limitation, offsetting the amounts overpaid by any amounts payable to the Covered Person under this Plan.

PHYSICAL EXAMINATION AND AUTOPSY. At our expense, we have the right to have the Covered Person examined as often as necessary while a claim by that Covered Person is pending. At our expense, we may require an autopsy of a deceased Covered Person.

LEGAL ACTIONS. No legal action may be brought by a Covered Person to recover against the Program or Plan until the Covered Person has submitted to us all written documentation he believes to support his claim and at least 60 days have transpired since such submission to enable us (or our designated agent) to have sufficient time to evaluate the claim. No legal action may be brought against us or the Program by a Covered Person more than one year from the time we reject all or a portion of the Covered Person's claim. All provisions of law concerning the defenses inuring to a public entity like the Program and its Administrator (and

its employees, attorneys and agents) are expressly incorporated into and made a part of this Plan, and a Covered Person must strictly comply with same.

ATTORNEYS' FEES. The prevailing party in any litigation concerning this Plan shall be awarded its reasonable attorneys' fees and all costs of litigation against the non-prevailing party, such an award to be made by a judge and not a jury. If the Program and/or its Administrator (or their employees, attorneys or agents) [collectively, "Program"] are awarded attorneys' fees and costs against a Covered Person, the Program may satisfy such fee and cost award from any amounts otherwise owing the Covered Person under this Plan, or through any other lawful means.

NO PUNITIVE DAMAGES. A Covered Person is not entitled to seek punitive damages against the Program, a public entity.

VENUE AND APPLICABLE LAW. Any and all legal action brought against the Program and its Administrator shall be brought in the Maricopa County, Arizona Superior Court. This Plan shall be governed by and construed under and pursuant to the laws of the State of Arizona, without regard to conflicts of law principles.
