The Trunk or Treat Down Main concept is a modification of last year's event taking into account COVID-19 safety precautions. This year will be another great community event! Each year, it is the Town's departments, local government organizations, families and businesses that make this event successful.

This event grows annually and is an excellent example of Florence's unique sense of community. Due to COVID-19, your help is requested more than ever to provide a fun, safe, memorable night for our community.

We are seeking Trunk or Treat registrants to help in the overall operation of this event.

Registrants are responsible for decorating vehicles, setup, tear-down, and staffing of your trunk or treat space; the Town of Florence will provide approximately 10 lbs. of candy, but ask that each participant supplement with their own. (75 lbs. of candy is the recommended amount). To ensure the community's safety, Trunk or Treat, participants must wear gloves and masks while handing out candy, and temperature checks will be performed before the first vehicle drives through Main Street for the event.

Setup time on Main Street is from 3:30 p.m. to 4:30 p.m. Any vehicle arriving after 4:30 p.m. will be asked to participate in the following year. Early arrival ensures that you are ready to go by 5:30 p.m., which is when people begin lining up for the drive-thru. The event starts at 6:00 p.m. Be prepared to have some fun!
